The Ruby.

The ruby is valued highest when it con-tains the least agure. The largest ruby that his ory speaks of belonged to Elizabeth, or Austria, the wife of Charles, IX. It was almost as big as a hea's egg. The virtues attributed to rubles are to banks andness, to repress luxury and to drive away annoying thoughts. At the same time it symbolizes cruelty, anger and carnage, as well as bold ness and bravery. A change in its color an nounces a calamity, but when the trouble is over its regains its primitive lustre.

A Queen's Ball Costume.

At the last court ball given by the Queen Regent of Spain the Queen was dressed in a black velvet robe, orgamented with silve embroidered lace of great value. On the head she wore a regal diamond diadem and around the neck a collar of priceless dia monds. The little King old not appear, and upon some one asking Her Majesty how he was, she replied prettily, " He is askeep, like

Mrs. Bernard-Beere. Pictures of Mrs. Bernard-Beere, the English Bernhardt, who is goingate playen this coutry this season, have already begun to appear on Broadway. Much of her fame, rests appr the manner in which her stalwart figure ! draped. Mrs. Bernard-Beere has a stradfa and untiring dislike for corsers. She nere wears them, though the lines of her figure indicate that she always has a pair on. She copies Bernhardt in the style of her gowns. well as in her plays, and for a long while was known as an English prototype of the French

Fable of the Pansy.

A pretty fable of the pansy is current among children. The flower has five petals and five sepals. In most pansies, especially of the earlier and less highly developed varieties two of the retais are plain in color and thece are gay. The two plate perals have a single each, and the third, which is the largest o The fable is that the pansy represents

family, consisting of husband, wife and four daughters, two of the latter being stepchildren of the wife. The plain petals are the ster children, with only one chair; the two small, gay petals are the daughters, with chair each, and the large, gay petal is the
